DISABILITY SUPPORT FOUNDATIONS

(CHCDIS020) WORK EFFECTIVELY IN DISABILITY SUPPORT

$750 pp

Australian Qualification/ Statement of Attainment

As awareness, inclusion and support services continue to grow, there is an increasing need for compassionate and skilled professionals who can make a meaningful difference in the lives of people living with disability. A career in disability support offers the opportunity to provide practical assistance, promote independence and help individuals participate fully in their communities.

WORK EFFECTIVELY IN DISABILITY SUPPORT

APMT's Disability Support Foundation Program introduces learners to the essential knowledge, values and practical skills required to begin a rewarding journey in this important sector. It provides a strong foundation for those seeking to build a career centred on care, respect and positive outcomes for others.

DURATION - 80 HOURS

2 Weeks
full time (40 hrs per week)

8 Weeks
part time (10 hrs per week)

IDEAL FOR:

- Disability support workers
- Inclusive community programs
- NGOs
- Schools
- Family-support services and emerging Pacific disability providers

THE COURSE WILL HELP YOU

- Build the confidence to support people with disability respectfully, safely and professionally.
- Understand disability rights, inclusion, choice, dignity and individual support needs.
- Learn practical communication methods for working with people who have different abilities and support requirements.
- Encourage independence, community participation and meaningful opportunities for people with disability.
- Strengthen your employment prospects across government, health care, education, NGOs and community services.
